The AIA billing system was developed by the American Institute of Architects (AIA) in about 1992. Using these documents, the Contractor can apply for payment due and the Architect can certify that the payment is due.

Typically, AIA billing consists of two forms, [What Is AIA Billing & How to Get Started | Foundation Software](#)

The term AIA stands for the American Institute of Architects. The AIA is a professional organization of more than 90,000 architects, which creates standards for the

industry. One of those standards is a set of forms used for a specific style of progress billing plus the practices around them. That's what we call AIA billing. More accurately, AIA billing is the use of forms.
