Corruption has been part of our economic and political life since ancient times. During the past few years, there has been a resurgence of interest in understanding the impact that corruption has on our societies.

An Introduction to Decentralization Failure I.

INTRODUCTION

An Introduction to Decentralization Failure Albert Breton
Department of Economics, University of Toronto and
International Centre for Economic Research, (Turin, Italy)

I. INTRODUCTION If we discard the assumption that politicians and public sector bureaucrats are somehow motivated to maximize a social welfare function, as the most superficial observation of the world entreats us to do, the

Political economy and public finance: a brief introduction ...

There is a long-standing difference amongst public economists between those who think that collective choice must be formally acknowledged, and those who derive their policy recommendations from a social planning framework in which politics plays no role.

(PDF) An Economic View on Politics: Public Choice Theory

Public choice or the economy of politics has emerged as a new branch of economics with the leadership of James Buchanan and Gordon Tullock in Virginia (West, 1990: 105).
