Choosing the Best Canon Speedlite Flash for Your Needs

As Canon continues to expand the Speedlite family, more photographers struggle to know which flash to buy. So let's take a quick run through the current Speedlite lineup, from low end to high end, to see if we can determine which flash is right for your needs. SPEEDLITE 270EX II Starting with the least expensive []

Choosing Flash Modes for a Canon EOS Rebel T3 Series ...

The built-in flash on your Canon Rebel T3 or T3i offers an easy, convenient way to add light to a too-dark scene. But whether you can use flash or opt to go flash-free depends on your exposure mode. In the following exposure modes, you have zero control over whether the flash fires. And whether

Which is the best flash for a Canon EOS 550D for portraits ...

Which is a better camera between the Canon EOS Rebel T6i and the Canon EOS 750D? How good is a Canon EOS 77D for travel, street and portrait photography? Which camera is better to buy, a Canon EOS M10 or an EOS 600D?

Wireless flash - Canon Professional Network

The Canon wireless flash system is based on a master-slave relationship. The master unit is a flashgun, flash transmitter or built-in flash master fitted on or connected to the camera. The slave units are positioned on their own away from the camera. You can work with one master and one slave unit, or one master and between three and five slave groups. Each slave group can have one or more
