Gun Safety If you own or want to own a firearm every person in the household should know how to load, unload, safe, arm, and clear each weapon in your arsenal. They

may never fire one in their lives but gun safety is not about firing the weapon; it is the prevention of misfires, and ignorance is the greatest adversary to gun safety.

Free gun cabinet plans??? - In-Depth Outdoors

I want to build a gun cabinet for my dad as a surprise, but i can't seem to find any free plans on the internet. Anyone have any plans already, or know of a good place to get some plans? I don't want a ornate expensive looking cabinet, just something plain, and functional. One door on the front and a drawer on the bottom, probably a two piece cabinet. Thanks for the help!
