[A History of Economic Thought by V Lokanathan](#)  
This book provides a comprehensive coverage of the origin and development of economic thought from the ancient times to the present day. It documents the contributions of major thinkers from the time of Hebrews to Maurice Dobb, and the perspectives that influenced the economic thought.

[History of economic thought - Wikipedia](#)

The history of economic thought deals with different thinkers and theories in the subject that became political economy and economics, from the ancient world to the present day in the 21st Century. This field encompasses many disparate schools of economic thought. Ancient Greek writers such as the philosopher Aristotle examined ideas about the art of wealth acquisition, and questioned whether property is best left in private or public hands. In the Middle Ages, scholasticists such as Thomas Aquinas
