A loan agreement is a written agreement between a lender and borrower. The borrower promises to pay back the loan in line with a repayment schedule (regular payments or a lump sum). As a lender, this document is very useful as it legally enforces the borrower to repay the loan. This loan agreement can be used for business, personal, real estate, and student loans.

A Loan Agreement is a written promise from a lender to loan money to someone in exchange for the borrower's promise to repay the money lent as described by the Agreement. Its primary function is to serve as written evidence of the amount of a debt and the terms under which it will be repaid, including the rate of interest (if any).
