The VIN verification form is required for out-of-state motor vehicles when registering in applicable States. A VIN, or Vehicle Identification Number, acts as the serial number for the purpose of certifying that a car has not

been stolen upon registration.

New Jersey Motor Vehicle Commission - 6 Point ID verification

The 6 Points of ID Verification was designed to help prevent identity theft by ensuring that licenses are only issued with proper legal documents and verification. This requires you to prepare information prior to visiting a motor vehicle agency to conduct a transaction, and may result in special document requests from other state agencies. Several examples are explained here.
