Political Theory: An Introduction by Rajeev Bhargava
This pioneering political theory textbook is a step towards making students do and evolve an Indian political theory, that is, theory born out of reflection on and engagement with Indian social and political practices. It innovatively embeds Indian cases and contexts in the theoretical discussions and involves students in applying theories to current issues. Without over-

Political Theory - LPU Distance Education (LPUDE)

Political theory is a bit complicated subject because it is an integral part of the Western Political thinking which is more than 2400 years old and many political philosophers, religious, economists, socialists, kings and many other people have contributed to it.

[Political philosophy - Wikipedia](#)

Political philosophy, also known as political theory, is the study of topics such as politics, liberty, justice, property, rights, law, and the enforcement of laws by authority: what they are, if they are needed and why, what makes a government legitimate, what rights and freedoms it should protect and why, what form it should take and why, what the law is, and what duties citizens owe to a legitimate government, if any, and when it may be legitimately overthrown, if ever.
