ISO 9001 Quality management

ISO 9001:2015 sets out the criteria for a quality management system and is the only standard in the family that can be certified to (although this is not a requirement). It can be used by any organization, large or small, regardless of its field of activity. In fact, there are over one million companies and organizations in over 170 countries certified to ISO 9001.

ISO 9001 Quality Management System - The 9000 Store

ISO 9001 is an example of a Quality Management System. See how a QMS Works! Some people generically refer to the group of documents as a QMS, but specifically it refers to the entire system the documents just describe it.

ISO 9001 Quality Management | BSI Canada
