How to Mount a Wall-Hung Table | how-tos | DIY

Measure and mark the wall where you will mount the table. The mark should be the finished height of the installed table minus its thickness. For example, if the table surface will be 42 inches above the floor, and the tabletop is 1-1/2 inches thick, mark the wall at 40-1/2 inches. Mark the center of center of the cleat and of the line where the table will be hung.
