William Wordsworth - Biography

Poet William Wordsworth was born on April 7, 1770, in Cocker-mouth, Cumberland, England. Wordsworth's mother died when he was 7, and he was an orphan at 13. Despite these losses, he did well at [William Wordsworth | Biography, Facts, & Poems ...](#) William Wordsworth was the central figure in the English Romantic revolution in poetry. His contribution to it was threefold. First, he formulated in his poems and his essays a new attitude toward nature. This was more than a matter of introducing nature imagery into his verse; it amounted to a fresh view of the organic relation between man and the natural world, and it culminated in metaphors [William Wordsworth Biography - life, childhood, death ...](#)

William Wordsworth was an early leader of romanticism (a literary movement that celebrated nature and concentrated on human emotions) in English poetry and ranks as one of the greatest lyric poets in the history of English literature.
